

How to access Google Classroom from home

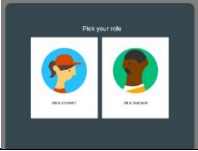

Instructions	Visual
<p>1. Visit student portal: https://education.nsw.gov.au</p>	
<p>2. Top right hand corner select "Log In" and select "Student portal"</p>	
<p>3. Students enter their DET login details (See student log in details email)</p>	
<p>4. After logging in, students may be prompted to select "I Agree".</p>	
<p>5. Scroll down and under the "Learning Tab" Select "G-Suite".</p> <p>NOTE: You may need to select "Show more" for G-Suite to appear as an option under "Learning"</p>	

6. Select "Classroom" and students then click on their classroom.

Student details will appear and they will be prompted to select "Continue"

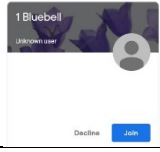

9. Select "I am a student"

10. All teachers have added students to their Google Classroom.

11. Select "Join"

If student's class does not appear as an option:

Select "+" on the top right hand corner and type in your child's class code that you received via email
